**Facility:** Central Delaware YMCA has an 8 lane indoor pool with a Daktronics timing system at both ends, and non-turbulent lane lines. The deep end is measured at 6 feet deep, and the shallow end is measured at 4 feet deep.

Home meets will have a snack bar, and spectator seating is available, however, people are encouraged to bring deck chairs. Parking is available both on site as well as throughout the surrounding neighborhoods in designated parking areas. Parking in the alley or blocking driveways is not encouraged. City police monitor these areas.

### Directions:

**From North:** Coming south on Route 13, pass Delaware State College on your right. Immediately past the Delaware Agricultural Museum, take a right onto State Street. Follow State Street into downtown Dover. Pass Lockerman Street and look for Kent General Hospital on your right. YMCA is ½ mile further on the left.

**From South:** Take Route 13 North; Pass Townsend Brothers Chevrolet on your left; go to next traffic light and turn left onto State Street. YMCA is on your right immediately past the first light on State Street.

**From West:** Take Delaware Route 8 into Dover. The road will divide into Division Street and Lockerman Street. Take Lockerman Street (to the right). Continue on Lockerman Street through Dover and turn right onto State Street; pass Kent General Hospital on your right; the YMCA is ½ mile further on the left.
