Facility: We have a beautiful pool that is now 13 years old. It is a 5 lane, 25 meter pool. We have starting blocks, non-turbulent lane lines, and backstroke flags for our swimmers. We use Hytek Meet Manager, have a Colorado Infinity Starting System, and a Dolphin Timing system.

The shallow end is 3.5' deep; our deep end is 9 ft. We have a 30 x 60 covered pavilion and a clubhouse. **We do not require in-water starts. Each coach may make that decision for their swimmers. Please let us know ASAP about your choice.

*** We have a large spectator area and offer a delicious concession assortment. We have a play area for non swimmers and we are only a few steps to the Chester River.

***Please note: OUR BABY POOL IS CLOSED DURING SWIM MEETS.

We are looking forward to a great swim season..
