Facility: The Richard M. Johnson Aquatics Center is a 6-lane, 25 yard pool with competitive starting blocks. The pool is rectangular shaped with the shallow end at 3 ½ feet and the deep end at 7 feet. We use a Daktronic timing system. The facility has locker rooms with showers. The deck is fairly large with 3 sets of low bleachers. Bleacher seating is limited, so please bring a chair to ensure seating for your family. The pool area is warm, so dress appropriately. There is alternative seating outside of the pool deck in a neighboring room where the pool can be viewed through several large windows. Food and drink concessions will be provided by the Marlins Parent Boosters. Please no food or drink on the pool deck. There is plenty of parking in the front and around the side of the Club.

Directions:

From north- Take Route 1 South to Route 113 South into Milford. Turn Right on Airport Rd and then Right on Delaware Veterans Blvd.

South- Take Route 113 North to Milford. Stay on 113 North into Milford. Turn Left on Airport Rd then turn Right on Delaware Veterans Blvd.

West- Take Route 14 East and turn Left on Route 15. Turn Right on Airport Rd and then Left on Delaware Veterans Blvd.

The Club is the first building that you come to. Turn right to enter the parking lot.
