Facility: The pool is a six lane, 25 yard facility with a diving L and competitor lane lines. The shallow end is 3 feet deep with blocks at the deep end. There is a bathhouse, parking area, and an expansive wooded picnic area. The swim team parents operate a concession stand with hot and cold food. Spectators are advised to bring portable seating.

Directions:

From the east: Turn off RT 13 onto Rt. 20 west, Norman Eskridge Highway. Go through the town of Seaford past Hooper Equipment. Turn left onto Figgs Road. When the road forks at Craig's Pond, take the left fork. The pool is 500 yards ahead on the right.

From the west: Travel on Rt. 20 east. After passing the grain elevators on the left and crossing the railroad tracks, turn right onto Figgs Road. When the road forks at Craig's Pond, take the left fork. The pool is 500 yards on the right.

History:

The Seaford Swimming Pool Association was the first pool in Seaford, opening in 1956. The swim team was formed in 1960. The team stresses family involvement and a love of swimming.
