The Allen Natatorium is a 6-lane 25 yard indoor heated pool equipped with competitive starting blocks and a Colorado scoring and timing system. This facility has recently renovated locker rooms and shower facilities that are handicap accessible. The pool has spectator seating and chairs will be out for visiting team to have some on deck seating. Facility lobby area provides space for over flow and swimmer seating. A snack bar is provided in the Lobby.

Directions:

Travel Route 13 to Seaford, Delaware. Turn West at the stop light in front of McDonald's (this is -Norman Eskridge Highway) Keep straight until you are Just past the Church. On the right is the Seaford Middle school. Turn right on the road that goes down along the east side of the school. The High school is at the end of the road. AT the stop sign you should see the Boys and Girls club right in front of you. Travel across Virginia Avenue and straight into the Boys and girls club parking lot.
