Directions to the pool:

Traveling East on Route 50:

Follow Route 50 towards Easton.
Turn right onto Easton Parkway (Rt. 322).
Go straight through four traffic lights.
Turn left at the fifth light onto Port Street.
Community pool is on your left.

Traveling West on Route 50:

Follow Route 50 towards Easton.
Turn left onto Easton Parkway (Rt. 322).
Go straight through one traffic light.
Turn right at the second light onto Port St.
Community pool is on your left.

NOTE: The Easton Police Department has asked that we notify our guests that there is no legal parking on the shoulders of Port St. (the road adjacent to the pool).

Facility:

TSC facility has a 6-line outdoor electronic scoreboard with electronic timing!

The pool was opened in 1996. It is 25 meters in length and is six lanes wide. The water depth is 3 1/2 feet at the shallow end, approximately 5 feet in the middle, and 7 feet at the end where the starting blocks are located. The pool is equipped with KDI Paragon starting blocks, competitor lane lines and backstroke flags for competitive swimming. TSC runs all its home meets with Hytek Meet Manager software. A bathhouse with changing areas and shower facilities is available. A concession stand is open during swim meets. Parking is limited, so car-pooling is recommended and appreciated.

About the Club:

The Talbot Swim Club was established in 1997 to offer a summer program of competitive swimming to area youth. Membership is open to any resident in the mid-shore region of Maryland. The overall objective of the Talbot Swim Club is to provide a family oriented, fun, positive competitive swim program that will allow each swimmer the opportunity to develop to his or her fullest potential. The values of sportsmanship, teamwork, and the joy of doing one's best are key ingredients to the success of the Talbot Swim Club. Visit our website at <http://www.talbotswim.org>

The Talbot Swim Club trains and host swim meets at the George P. Murphy Community Pool in Easton, MD. The pool is located adjacent to Moton Park at the corner of Port Street and Easton Parkway (Rt. 322).
